**DEFAULT JUDGMENT AND  
PERMANENT INJUNCTION AGAINST DEFENDANTS**

This matter is presently before the Court on a motion by Plaintiff Elsevier, Inc. under Fed. R. Civ. P. 55(b) for a final Default Judgment and Permanent Injunction Against Defendants Victor Kozlov and Pavel Kazutsin. Elsevier, through the pleadings, briefs, declarations and other materials submitted to this Court, has demonstrated, *inter alia*, the following:

1. Defendants have been properly served with the Summons and Second Amended Complaint;
2. Because Defendants have not filed an Answer or otherwise appeared in this action, the Clerk of Court entered a default against Defendant Kozlov on January 29, 2015 and Defendant Kazutsin on February 11, 2015;
3. Elsevier is the copyright owner or exclusive licensee of all rights, title, and interest in and to the works described on Exhibit A attached to this Default Judgment and Permanent Injunction, which is identical to Exhibit A to the Second Amended Complaint (the "Copyrighted Works");
4. Defendants infringed Elsevier's copyrights in the Copyrighted Works, both directly and secondarily, including by facilitating, encouraging, inducing, and profiting from the

downloading of Elsevier's Copyrighted Works by users of Defendants' group of integrated websites ("Avax"), which exist or have existed at various locations, including [www.avaxhome.cc](http://www.avaxhome.cc); [www.avaxhm.com](http://www.avaxhm.com); [www.avaxsearch.net](http://www.avaxsearch.net); [www.avaxsearch.com](http://www.avaxsearch.com); [www.avaxsearch.org](http://www.avaxsearch.org); [www.pixhost.me](http://www.pixhost.me); [www.pixhst.com](http://www.pixhst.com); and [www.ebooksmgzn.com](http://www.ebooksmgzn.com) ("Defendants' Infringing Sites"); and

5. To the best of Elsevier's knowledge, Defendants are not infants, incompetent, or in the military services of the United States.

THEREFORE, THIS COURT HEREBY FINDS that each Defendant is liable for willful direct and secondary copyright infringement under federal law, 17 U.S.C. §§ 101, *et seq.*, and this Default Judgment and Permanent Injunction ("Permanent Injunction") is entered against each Defendant.

IT IS HEREBY ORDERED that Defendants, their officers, agents, servants, employees, successors, and assigns, and all those acting in concert or participation with them, are permanently enjoined and restrained from directly or indirectly infringing any copyrighted work that is owned or controlled by Elsevier (or any parent, subsidiary, or affiliate of Elsevier), whether now in existence or later created ("Elsevier's Works").

Without limiting the foregoing, IT IS FURTHER ORDERED, that Defendants, their officers, agents, servants, employees, successors, and assigns, and all those acting in concert or participation with them, are permanently enjoined and restrained from engaging in any of the following without written authority from Elsevier:

- a. Copying, reproducing, downloading, distributing, uploading, linking to, transmitting, or otherwise exploiting in any manner any of Elsevier's Works;
- b. Enabling, facilitating, permitting, assisting, soliciting, encouraging or inducing others to copy, reproduce, download, distribute, upload, link to, transmit, or otherwise exploit any of Elsevier's Works; and
- c. Using, operating, maintaining, assisting, distributing, or supporting any computer

server, website, software, domain name, email address, social media account, bank account, or payment processing system in connection with the copying, reproduction, downloading, distribution, uploading, linking to, transmission, or other exploitation in any manner of any of Elsevier's Works.

IT IS FURTHER ORDERED that, pursuant to 17 U.S.C. § 504(c), Elsevier is awarded statutory damages against Defendants for copyright infringement in the amount of \$150,000 for each of the 250 infringed copyrights identified on Exhibit A to this Permanent Injunction, for a total sum of \$37,500,000, which award shall bear interest from the date of this Permanent Injunction at the rate provided by law.

IT IS FURTHER ORDERED that Defendants shall destroy all unauthorized copies of Elsevier's Works that they have in their possession, custody, or control.

IT IS FURTHER ORDERED that in the event Elsevier discovers that any of the Defendants have violated any of the terms of this Permanent Injunction, whether in connection with Defendants' Infringing Sites or new websites owned or operated by Defendants ("Additional Infringing Sites"), Elsevier may move the Court for a supplemental order as may be appropriate to effectuate the purposes of this Permanent Injunction.

IT IS FINALLY ORDERED that this Court shall retain jurisdiction over the parties and the subject matter of this litigation for the purpose of interpretation and enforcement of this Permanent Injunction.

This is a FINAL JUDGMENT.

The Clerk of Court is directed to close this case.
